THE LEADER IN SECURITY

Ethical. Reliable. Responsible. Trustworthy. Customer Focused. These are the values that have been at the core of Iron Horse Security for over 25 years.

A Necessity To Provide The Best Security

Iron Horse Security has been the model in the security industry for over 25 years. Putting customers first has been our priority since day one, and with that comes the drive and determination to understand our customers needs and line up the right solutions that are unique to them.

We are Iron Horse Security, and no one does it better.

The Iron Horse Difference

At the heart of everything we do, our focus is, and always has been, exceeding the expectations of our customers. From custom-tailored solutions to ensuring complete service coverage without gaps, you can trust Iron Horse Security to get the job done the right way, every time.

Whether your needs centralize on events, commercial or government premise protection or construction site monitoring, Iron Horse Security has the experience, processes and proven capabilities to provide service regardless of the situation.

Unmatched Quality

When you work with Iron Horse Security, the level of quality you receive reverberates from top to bottom. A commitment to our customers that transcends company wide that ensures complete satisfaction in your decision to work with us.

Our security guards honor those values and display the ethics, responsibilities and reliability that you deserve and that makes Iron Horse Security a unique security service provider.

The Process for Excellence

Providing best in class service starts with a systematic approach to the quality we value. At Iron Horse Security, all of our security guards and rigorously screened and trained to ensure optimal safety for themselves, our customers and their employees.

With specific training in all areas of security, you can trust Iron Horse Security to provide site ready security guards trained to exceed expectations and respond the right way.
